

DAV PUBLIC SCHOOL, JHARSUGUDA

A FEW WORDS FROM THE PRINCIPAL

Dear Students,

Your results are out, you have been promoted to the next higher class but you have no books and have been stopped from attending the school. However, you have to utilize the present time and engage yourself to prepare for the next class.

If I had to sum up my concern about the utilization of time for academic progress and your good health, my most basic lines are:

Always be safe. Follow the guidelines of COVID-19

1. Wash your hands frequently and properly with soap and water.
2. Cough or sneeze into a tissue and dispose directly.
3. Avoid shaking hands.
4. Avoid close contact with sick people.
5. Wear mask.
6. Observe good personal hygiene.
7. Consult the doctor if you are unwell.
8. Do not gather in group.
9. Avoid risky food and consume homemade dishes.
10. Keep a habit of rigorous physical activities daily till sweating.

On academics

1. Books will be available in the next week for classes LKG to VIII. All will be informed regarding the date and time of availability in advance.
2. Books of Class- IX to XII are available in the market. Parents must procure them as soon as possible.
3. The first two chapters of all major subjects for class-III to VIII will be available on Skool Tree app and school website (www.davjharsuguda.org). You can download and utilise them. However, parents are advised to collect old books from the students of next higher classes.
4. Parents should guide the children to study the first one/two chapters at home.
5. Students of Std-V and below should practise handwriting daily.
6. We are trying to develop some monitoring tools, so that we can know whether everybody is doing the work at home or not.
7. Parents play a vital role in monitoring the activities of the children. At least, the child must write 10-15 pages daily at home.
8. It is also the time to develop habit of reading other books than text books. You may buy some new books of interest for the purpose. Newspaper reading habit may be encouraged.
9. Go through the Do's and Do not's described in Page no. 09 of the Hand Book 2019-20.

Try to follow them both in words and spirit.

"Commit yourself to be healthy and fit"

"STAY HAPPY, STAY BLESSED".
